

### **Correction: Aspirin for primary prevention of cardiovascular disease?**

Our article *Aspirin for primary prevention of cardiovascular disease?* (DTB 2009; 47: 122–5) included a few typographical errors in the reference citations of the opening paragraphs. A corrected version of these paragraphs is available online at [dtb.bmj.com](http://dtb.bmj.com). These reference errors do not affect the *Conclusion* of the article.
