Dear Alex

Thank you for your email. BMJ is able to licence this content and therefore you are free to reuse it in another BMJ journal. Please ensure the material is attributed to the original author.

Best wishes

Laura

Hi. I am submitting an article (commissioned review) to *Drugs & Therapeutics Bulletin* and would like to reuse a figure from a Letter to BMJ:

Smith AF. Discussion of risk pervades doctor-patient communication. *BMJ* 2002;325:548. doi:<https://doi.org/10.1136/bmj.325.7363.548>

Could you let me know how to obtain permission, please (I see it may have originally been published in another journal).

Thank you,
Alex
